

MANAGEMENT SYSTEM POLICY

The Management declares that the companies ARG DE GRAAF S.A. and DON HECTOR S.A. form a family-owned agro-industrial business dedicated to the collection, shelling, conditioning, selection, processing, packaging, and commercialization of various peanut products. Their mission is to connect people around the world with natural, healthy, and sustainable foods, grown and produced with dedication and care.

We are committed to allocating the necessary resources for the implementation, maintenance, and continuous improvement of the performance of the Integrated Management System. Our fundamental pillars are:

- Comply with current national and international legal regulations.***
- Produce and commercialize safe, legal, and authentic products that meet the specified quality standards.***
- Satisfy the needs and expectations of our customers.***
- Implement new processing lines, improve existing processes, and develop new products.***
- Develop the potential of our collaborators.***
- Be socially committed to the involved community.***
- Minimize the negative environmental impacts resulting from the company's activities.***
- Work together with our suppliers on Quality and Food Safety Management.***
- Continuously improve the culture of quality and food safety within our company.***
- Continuously improve the performance of our Integrated Management System.***
- Communicate and make this Policy and all relevant information of the Integrated Management System available to internal and external stakeholders.***
